ADDITIONAL INFORMATION

VISA

EUSA can assist students by providing a certificate of enrolment at the university centre upon request.

HOUSING

EUSA can offer support in assisting students in their search for accommodation in Seville. We work closely with a wide network of host families and dorms.

EXPENSES

Seville is an affordable city for students. Please check [Numbeo](#) for accurate living expenses.

HEALTHCARE

EUSA supports students with their health care needs by providing information about the closest medical centres and the functioning of the Spanish health care system. Additionally, a 24/7 emergency telephone number may be provided.

EU students: you only need your European Health Insurance Card to receive medical assistance. You may also take out a private health insurance policy.

Non-EU students: you will need a private health insurance while travelling in Spain.
